IP-410

TELEPHONE

PUBLIC
PREPAID
TELEPHONE

The consumer-friendly public calling PIN card telephone. The **IP-410** is a Public Prepaid Telephone. The **IP-410** is semi-outdoor and is specially built in metal housing, with armoured handset, metal spiral cord and hook switch, to prevent vandalism. The advantage of the **IP-410** is that it allows the user to place a call either using a regular calling card. The large LCD display on the front panel of the **IP-410** instructs the user how to use this phone easily. The owner of the phone can enable or disable dialing of toll-free numbers from this phone according to his wish. There are also fast-dialing knobs for emergency numbers.
